 - european: B60Q1/48B; B62D15/00
Application number: DE19981009416 19980305
Priority number(s): DE19981009416 19980305

[Report a data error here](#)**Abstract of DE19809416**

The vehicle is fitted with a number of distance sensors (2a-2d) that provide input to a controller (1). On the basis of the sensor signals the processor identifies a strategy for maneuvering the vehicle in a parking operation. Directions to the driver can be provided both as a display (3) and as speech (5).
